Students Walk Out

NIXON, Tex. (UPI) — About one-third of the students at Nixon High School walked out of classes Monday demanding the reinstatement of two teachers whose contracts were not renewed, prompting an emergency school board session.

The 60 students paraded with picket signs demanding that the school board retain English teacher James Willman and science instructor Lester Sykes, both of whom were popular with the students. Officials said the two teachers weren't fired, but their contracts were not renewed because of staff reductions.

Mexico Tourism Down

LAREDO, Tex. (UPI) — Tourism to Mexico still was down from last year in the latest report from the American Automobile Association.

The AAA said 2,900 fewer cars and 8,600 fewer passengers crossed the international bridge into Mexico during January and February than during the same period of 1976. In February, there were 1,160 fewer autos and 4,500 fewer persons entering Mexico.

Proposal Protested

GEORGE WEST, Tex. (UPI) — Exxon Co. USA Monday protested a proposal to require impounding of runoff from the company's Live Oak County uranium strip mine until vegetation was established.

Exxon said the Texas Railroad Commission's proposed rule would cause a six month delay in starting operations at the site near Oakville and Three Rivers and cost about \$100,000.

Rate Halt Ordered

AUSTIN, Tex. (UPI) — The Texas Railroad Commission has ordered Lone Star Gas Co. to stop charging rates implemented by the company Sept. 1, pending a May 4 hearing to decide if the company should make refunds to the customers involved.

Examiner John Neel told the commission Lone Star had violated the law by implementing the rates prior to the filing of a statement of intent to do so. He said Lone Star received approval for new rates within the 131 incorporated areas, but did not have permission to raise rates in unincorporated areas.

Rate Hike Sought

AUSTIN, Tex. (UPI) — An attorney for 28 Texas railroads seeking a 4 per cent increase in intrastate freight charges said Monday the boost was necessary because of increased operating costs.

James P. Simpson told an examiner for the Texas Railroad Commission he will call witnesses from each railroad to testify to increased costs of operating trains that have not been covered by previous rate increases.

DPS Agent Indicted

DALLAS (UPI) — A grand jury Monday indicted a Department of Public Safety agent for bribery for allegedly accepting money for issuing driver's licenses.

Sgt. John Charles Nigliazzo, 63, was arrested Feb. 10 when an undercover Dallas police officer allegedly gave him a brown envelope with \$30. The undercover officer allegedly was given a license without taking a written examination.

Senate Committee Approves Tax Bill

By DON PHILLIPS
WASHINGTON (UPI) — Two big breaks for taxpayers — rebates for more spending money this spring and simpler IRS forms for less hassle at filing time next year — are a step closer to enactment.

President Carter's \$50 per person rebate and a revision of the standard deduction which would lead to simpler tax forms and a small tax cut for 46 million people were part of a bill approved Monday by the Senate Finance Committee.

The bill probably will be debated next week in the Senate, where the surprisingly unpopular rebate is expected to face its strongest challenge from Republicans and some Democrats who feel it will not stimulate the economy and could be inflationary.

The bill also contains business tax

incentives which may be challenged, and several other minor changes including a one-year delay in the repeal of the sick pay exclusion.

But while the rebate and the business tax incentives face challenges, the standard deduction changes have slipped through the House and the Finance Committee with almost universal support.

If passed as expected, those who use the standard deduction — now 69 per cent of Americans, but expected to rise to 76 per cent — could figure taxes by one glance at a table. Even the simplest forms now often require use of some arithmetic.

Some 46 million couples and individuals who use the standard deduction would get an average \$110 tax cut when the standard deduction was set at a flat \$3,200 for couples and \$2,200 for single persons instead of the current percentage calculation.

About 2.1 million single persons making more than \$13,750 would pay an average \$51 tax increase. On the other hand, however, unmarried heads of household, mainly divorced women with children, would be allowed to claim the higher standard deduction for couples.

County Money Saved By Variance Approval

County Judge Nathan E. White Jr. informed members of the Commissioners Court Monday morning that the county has been granted two variances on the new jail (to be completed early next year) by the Texas Commission on Jail Standards.

The judge, commissioners and Sheriff Jerry Burton were in Austin last week to ask that the new jail be considered an existing jail so that certain new regulations could be waived.

By receiving permission to have less single cells than called for by new TCJS rules and by being declared an existing facility, Judge White noted

that the county was saved "hundreds of thousands of dollars in re-designing."

Also yesterday morning, representatives of the Walnut Grove road committee appeared before the commissioners to ask that the county take up maintenance responsibility for roads in the Walnut Grove Subdivision.

Homeowners offered to bring the roads up to county standards with their own money, if the county would agree to maintain the roads afterwards.

Office Zoning Okayed

Measure Opposed By Neighboring Residents

"Eventually we're going to get an office complex," Don Williams admitted. "We're going to get tired of coming up here and eventually it's going to be done. If they are quality buildings, all right. Otherwise I'd rather have townhouses. I want to see an adequate plan of action first."

Commissioner James Sides twice moved to deny the request, once with and once without prejudice, but he was unable to get a second.

Later, Commissioner Lionel Berry and then Sides tried to table the request until a site plan is submitted,

but Sides changed his mind and withdrew his support.

Eventually Berry moved for approval as a planned development and the action was okayed on a three to one vote, Sides casting the no ballot.

The revised preliminary plat of Spring Creek Pkwy. Estates West VIII and IX was also approved on a 3-1 vote. Bob McCurley voted no to express his concern about an alley allowed in the 250-foot greenbelt.

Sections five and six of the same development were approved unanimously. The tract is located north of Spring Creek Pkwy. and

between Coit Rd. and Independence Pkwy.

Four new residential classifications were added to the zoning ordinance. Commissioners agreed that minimum square foot requirements for the new classifications would be as follows: SF-1A, 2300; SF-2A, 2000; SF-3A, 1700; and SF-4A, 1400.

Other items approved were a specific use permit for a preschool at the Holy Nativity Episcopal Church, 2200 18th St.; a specific use permit for a private school at the intersection of Alma Dr., Crossbend Rd. and Thunderbird Lane; and the final plat of Jo-Bran Addition, a .56 acre lot located 696 feet north of 16th St. on the west side of US 75.

The replat of several lots in Riverbend II was tabled until Jerry Stiles submits a detailed landscape plan. The property is one-half mile south of Parker Rd. on the east side of Coit Rd.

Weekend Assaults Reported To Police

Four assaults, none of them serious, were reported this weekend.

The first occurred Saturday at 4:15 p.m. when a 12-year-old and a 14-year-old were shot at by an unknown assailant. The boys told police that they were playing south of Creekwood Apartments, near the railroad track.

At 1 a.m. Sunday a 34-year-old man told police he was called from his home in the 1100 block of Avenue F and beaten by three men. The incident is under investigation.

An employee at Jack in the Box sustained minor injuries to the face and eye at 1:50 a.m. Sunday when he was too slow for an irate customer. The clerk said the man ordered a soft drink and then attacked him, saying that he had waited long enough.

No injuries were reported Sunday at 3:45 a.m. in a family disturbance involving a 17-year-old and a 19-year-old.

In other activity, police arrested a 14-year-old boy and a 15-year-old boy for criminal mischief when a man spotted the pair cutting wires on his tractor. The youngsters were given a notice to appear and released to their parents.

Eight other persons were arrested including an 18-year-old for illegal entry, a 20-year-old for illegal entry, a 22-year-old for public intoxication, a 23-year-old for no drivers license, a 29-year-old for driving while intoxicated, a 36-year-old for public intoxication, a 38-year-old on a Dallas County

warrant for passing worthless checks and a 56-year-old for public intoxication.

Officers also investigated five thefts, one auto theft, two motor vehicle burglaries and four cases of criminal mischief.

The department answered 182 calls for assistance and inspected 32 motor vehicles.

Firefighters Busy With Minor Fires

Firefighters were kept on the move this weekend, but no serious fires were reported.

The department answered 22 ambulance calls and extinguished one trash, one grease and three grass fires.

The grass fires were all reported on Sunday. The department was called to 1210 14th St. at 2:44 p.m., Forest Run Apts. at 7:45 p.m. and 1921 Ports O'Call at 10:17 p.m.

The men also went to 2524 Glen Forest to put out a grease fire and to Clinton and Mariposa to extinguish a trash fire inside a vacant house. Slight damage resulted.

Ten miscellaneous calls were also received this weekend.

Committee Delays School Finance Bill

AUSTIN, Tex. (UPI) — Like many measures debated in the legislature, the proposed \$656.7 million school finance bill is a complex one. And a welter of proposed amendments—39 of them—did not make it any simpler.

The amendments forced the House Education Committee to delay action Monday on the bill. Rep. Tom Massey, D-San Angelo, who adjourned the committee meeting after a detailed explanation of the bill, said the panel will convene again today to work on the proposed amendments.

Rep. Ron Coleman, D-El Paso, the sponsor of the bulk of the proposed amendments, said the bill emerged from subcommittee last week after he had left the capital for the weekend. He asked for a delay in committee action.

The bill, which channels \$414 million in additional state funds to local districts with a requirement the districts reduce local taxes by about half that amount, has drawn opposition from the Texas Association of School Administrators.

However, it was endorsed Monday by Speaker Bill Clayton who told the committee it provided the three items essential to a comprehensive school finance bill this session — increased state aid to local districts, property tax relief, and lasting provisions that will not need revision next session.

"To me, property tax relief is the most important part of the package," Clayton told the packed committee meeting. "After traveling across the state, I believe the people of Texas want property tax relief."

Massey said the bill, drafted by a five-member subcommittee he

chaired, put more money than intended into property tax relief, however, and said he will offer an amendment reducing the allocation for that purpose from \$414 million to \$397 million. The \$17 million deleted from the property tax relief provision would be used to improve teacher-pupil ratios in the first three grades.

Doctors Set 'House Calls'

AUSTIN, Tex. (UPI) — Hundreds of doctors scheduled "House calls" to the Texas Legislature today in an effort to influence action on a medical malpractice bill the Texas Medical Association contends is too weak.

The TMA sent bulletins to each doctor in the state, asking them to converge on the Capitol for today's session. TMA officials contend the malpractice bill needs revision in at least six major areas, and debate on those proposed changes could take hours.

Speaker Bill Clayton warned House members to "come prepared for a good long debate."

The malpractice bill, approved last week as a compromise by the State Affairs Committee, sets a \$500,000 limit on malpractice claims, establishes a general two-year statute of limitations for adults to file claims and permits persons under 12 to file malpractice claims until they reach their 14th birthday.

Two other major groups involved in the malpractice issue, the Texas Trial Lawyers Association and the Texas

Timely Donation

A 14-copy collection of the National Geographic magazine, dating from March, 1915 to December, 1924, is the gift of Bryan K. Murray to the Gladys Harrington Public Library. According to Librarian Maribelle Davis, shown here with Murray, the library is seeking donations of all types of books and especially National Geographics for the library's permanent collection. Also sought by the library are books and paperbacks to be sold during the upcoming "Friends Book Sale," which begins April 17, in conjunction with National Library Week. 1-Car Crash Injures One On Saturday

A Dallas woman is in critical condition at Presbyterian Hospital following an early Saturday morning one-car accident.

Mary Smith Rose, 35, was taken to Plano General Hospital at 2:55 a.m. and later transferred to Dallas. She was found under her 1971 Datsun on Park Blvd. about 300 feet east of Marlborough. Although there were no witnesses to the accident, Police believe she lost control of her car and rolled over several times.

Two other persons sustained minor injuries in two separate accidents. Six-year-old Kenneth McIntyre of 1024 Avenue E sustained minor injuries when he was struck by a 1972 Buick driven by Laurel Lee Johnson of Richardson. The accident occurred at 6:25 p.m. Thursday on Avenue F, about 40 feet north of 10th St.

Lois Evon Miller of McKinney sustained minor injuries when the 1976 Chevrolet driven by Gerald Art Miller II of McKinney went out of control. The accident was reported at 9:40 p.m. on US 75 about 110 feet east of Parker Rd.

Cooking...The Hard Way

Learning to cook out-of-doors was the main objective of the Vines Outdoor Education class recently, but it rapidly turned into a battle for survival against high winds which threatened to cancel the class before it could begin. However, the persistence of the students prevailed; the fires were started, and the meals began cooking. The bill of fare for the class included pizza, weiners, marshmallows and sloppy joes, but at last report, there was some doubt as to whether or not the students are ready to tackle an overnight expedition. DEAR ANNA — Have you ever tried rubbing vegetable oil on this adhesive? — POLLY

My Pointer is that I always store ice cream cartons in plastic bags to eliminate frost and retain the freshness. — BEA.

We are assuming that the wool used was colorfast but do be sure. I once ruined a needlepoint piece that was not. Another method is to use only the foam on mild detergent suds. Apply with a sponge and rinse off the same way. If work is on chair seats do be careful not to saturate. — POLLY.

Save those plastic milk containers as they make good jugs to hold lemonade, water, etc., when going on a picnic. You can freeze water in them to put in your cooler later and this will save the expense of having to buy ice as it is expensive. — MRS. H. K.

DEAR POLLY — To make my windows shine I clean them with one-fourth cup of corn starch put in one cup of water. Wet a paper towel or lintless cloth with this and clean the windows and then polish immediately before it dries using a dry paper towel or cloth. This is excellent and I like it better than any window cleaner I buy. — E.J.B.

Bruton Paint Specializes In Home Improvements

Spring officially arrived Sunday, March 20 and for most people that marks the time to begin home improvements.

However, home improvement need not be a chore when you let the experts assist at Bruton Paint and Decorator Center.

Bruton Paint and Decorator Center, 1600 Ave. K, has been Plano's leader for home improvements for eight years. They moved into their modern, new location three years ago to better serve Plano's demanding public.

Owned and operated by Harold Green, home improvement is made easy through the wide variety of namebrand products offered. When it comes to carpets, wallcoverings, floor coverings, paneling and paint there is only one place to stop - Bruton Paint and Decorator Service.

Because they offer such a wide variety of home improvement items, Bruton Paint can help their customers match carpet colors with wallcoverings for a complete coordinated effect.

"We can fit the needs of anybody," Green said. "We can do it because of our wide selection and the many namebrands we carry."

At Bruton Paint, you'll find employees that are customer oriented. Personalized, one-to-one service

'Cat Thinclads Third In Garland Invitational

Plano Senior High continued their track competitiveness Saturday with a third place finish in the 15-team Garland High Invitational Meet.

The Wildcats garnered 59 points to trail winner Garland with 109 points and Mesquite High with 68 points.

Plano topped Greenville, fourth with 52 points; Pearce, fifth with 37 points; South Garland, sixth with 36 points and Denison, seventh with 30 points.

The Wildcats got one first place in the meet. Rick Banks finished the mile run in 4:36.6 for the top trophy in that race.

In other results, John Bechtold took a fourth in the 330 yard intermediate hurdles despite slipping down with three hurdles to go. He still finished with a 41.6 time.

"I'm sure that if John hadn't fallen down, it would have been a time around 38.0," Coach Ron McNeil said. "He was running his best race of the season which is evident by still finishing fourth."

Tim Braden hurdled the discus 135-0 for third, Mark Burch was second in the discus with a 139-4 effort and Junior Compass took third in

the 440 yard dash with a 51.6 time.

Walter Ford was sixth in the 100 yard dash despite his season best of 10.0. The winning time in the event was 9.8. Several people feel Ford finished higher but such a large group of runners crossed the line at the same time to have caused havoc among the judges.

Brian Neville was fifth in the 440 yard dash in 52.2 and Dan Seick took fourth in the 880 yard run in 2:03.2. Mike Winchester was fifth in the

880 yard run in 2:04.9. The mile relay team comprised of Neville, Andy Sanders, Compass and Pechtold recorded at 3:27.6 time for second place.

Also participating in the meet with creditable performances which didn't place were: Larry Reagan in the lone jump with a 20-4 effort. David Buchanan in the 880 with a 2:26.9 and Braden in the shotput with a 48-5½ toss.

Burch had a 47-0½ throw in the shotput and Andy

Cormack ran the mile in 5:04.2. Dee Heerin threw the discus 123-0 and Ford covered the 220 yard distance in his best of 23.0. Darrin Wagnon took seventh in the mile run in 4:49.6. However, seventh doesn't get points.

Coach McNeil, like other track coaches in the area, feels Saturday meets might be jinxed by the weather.

"We haven't had a good Saturday, weather wise, yet this season," McNeil said. "We need a good day to run.

There has just been too much wind to record super times."

Coach McNeil and Wildcats will try to avoid the Saturday weather jinx by participating in the Mesquite High Invitational Friday.

"Last Friday was such a super day, maybe it will happen again. It is worth a try," McNeil said.

Prelims in the meet begin at 2 p.m. and finals begin at 8 p.m. at Mesquite's Hamby Stadium. Eight teams will be competing.

Over Waco Richfield

PSHS Baseballers Sweep Twin Bill

Wildcat baseballers from Plano Senior High improved their season record to 6-7 by sweeping a pair of games Saturday from Waco Richfield.

Coach Rommie Maxey's team won the first half of the

twin bill 12-3 and took the nightcap, 9-6.

In the first game, Bob Levinski, righthander, was the winning pitcher with a three-hitter. He struckout eight batters and walked five.

Levinski drew heavy support from his team mates' bats. Shortstop Greg Hinrichs and designated hitter Tom Quigley both registered homeruns. Quigley also had a single.

Plano collected 10 hits with singles provided by second baseman Ken Anders, second baseman Jeff House, catcher Ed Bailey, outfielder Andy Caulo, outfielder Marty Melson, first baseman Rick Call and third baseman Tony LaPlante.

In the second game, Steve Morrison went six innings and gave up four hits for the Wildcats. He struckout five batters.

Doug Flemming provided relief in the seventh inning and gave up one hit while striking out one batter.

Anders was the big hitter for the 'Cats with a three-for-three performance at the plate. Anders had a double and a triple.

Hinrichs went three-for-four and LaPlante was two-for-three with a homerun.

Other hitters with singles included Quigley, Bailey and Caulo. Call had one base hit also, a triple.

The Wildcats have proven to be a hitting team this season. After only 13 games,

they are hitting .351 as a team.

Their extra base production is the best Coach Maxey has had in his five seasons as the head baseball coach.

Wildcat batters have totaled 10 homeruns, 10 triples and 20 doubles in the 13 games.

The hitting power of the Wildcats combined with improving pitching leads Coach Maxey to believe his team will rise above the .500 mark as District 13-AAAA play resumes this week.

Plano plays Richardson Pearce here today at 4 p.m. and Thursday they travel to Sherman. Plano will host Paris, defending champs, Saturday at 1 p.m.

Yankee Squabbles In Spring Camp

By FRED DOWN
UPI Sports Writer

Somebody down there in Ft. Lauderdale, Fla., should advise the New York Yankees their fans back in New York are beginning to wonder whether they're rooting for a debating team or a baseball team.

The noise out of the Yankees' camp this spring has been singular for absence of the sound of the crack of the bat on the ball—the sound which supposedly is the essential attraction of

the game. Instead, there has been the sound of angry voices, ultimatums, high-powered meetings and other stuff generally associated with bush leaguers.

There was more of it Monday when Manager Billy Martin and centerfielder Mickey Rivers went at it again. The latest confrontation occurred because Rivers was removed by Martin from Sunday's game with the Philadelphia Phillies after he loafed chasing a single and then dropped a fly ball hit by the next batter.

"We had a long talk this morning and it's like I thought, Mickey has some personal problems that have nothing to do with baseball," said Martin, sounding more like Connie Mack than Billy the Kid. "Instead of leaving them at home, he brought them to the ball park.

"You just have to handle Rivers differently," Martin counseled ringside reporters. "A lot of people think Mickey will do this again. But I don't. But knowing Mickey runs through moods, I guess he might."

For all their personality problems, the Yankees have a 6-5 spring record after Monday's 4-3 triumph over the Los Angeles Dodgers.

Elsewhere, in camps where the emphasis is on baseball:

Bernie Carbo hit two singles and a homer and Reggie Cleveland went six innings for his third win of the spring as the Boston Red Sox defeated the St. Louis Cardinals, 11-6. ... Doug Ault, former Texas farmhand considered one of Toronto's

best prospects, drove in three runs with two homers to lead the Blue Jays to a 5-1 victory over the New York Mets.

Von Joshua and Dan Thomas hit solo homers and Jim Wohlford knocked in three runs with three hits in the Milwaukee Brewers' 10-3 triumph over the Seattle Mariners. ... Gene Tenace's checked swing two-run single capped a fourrun eighth inning, which gave the San Diego Padres a 4-2 triumph over the Chicago Cubs. ... Enos Cabell

collected three hits, scored three runs and stole four bases as the Houston Astros downed the Cincinnati Reds, 10-8.

Rookie Steve Kemp's leadoff homer in the bottom of the 10th gave the Detroit Tigers a 6-5 victory.

W/V Ties For 1st

Sophomore thinclads from Williams and Vines High Schools competed Saturday in the Junior Varsity Division of the Mesquite Invitational Track Meet and finished in a four-way tie for first place.

Plano got 73 points to tie with Lewisville, Greenville and Irving.

Two members of the W-V team recorded first places. David Maddox topped the field in the discus with a 124-7½ effort. Mark Elder was first in the mile run in 4:55.8.

In other results, the 440 yard relay team was fourth in 47.4. Team members were Jay Ballar, Kevin Rush, Brian McGhee and Tom Waldren.

Ballar was third in the pole vault in 12-0 and Mason Mitchell followed with a fourth in 11-6.

McGhee took a fifth in the 120 yard high hurdles in 16.0

and was also second in the 330 yard intermediate hurdles in 43.2.

Robert Scoggins took a third in the 880 in 2:11.8 and Brian Surles was fourth in the 330 hurdles in 44.1. David Whitley took a sixth in the 440 yard dash in 55.5.

Billy Ray Smith took a fourth place tie in the high jump with a 5-10 effort and was also sixth in the shotput

with a 43-9½ effort. The mile relay team took fourth in 3:40.8. Members were Rush, Mike Brown, John Ozanne and Whitley.
